

Annual Report 2020-22

From the President's desk

Dear UDGAM Supporter,

Year 2020-22 has been an exceptionally challenging year for everyone. Each one of us has battled the pandemic in innumerable ways; it has been a time of debilitating uncertainty and chaos. But the worst hit by this crisis have been India's underprivileged communities; especially their children. Unable to go to school or get proper nutrition and healthcare, they have been forced into child labour and child marriage to ease the financial pressure on their families.

In solidarity,

Hanuman Prasad Sharma
President

Vision & mission

Our vision

- To help underprivileged children, youth and women, with a life-cycle approach of development.
- Integrated approach across the world for standards of governance through technology & innovative processes.
- To make success for observing free social order in human development.
- To develop a scenario where poor children come out from poverty and contribute positively to their community and to the world around them.

Our mission

- Approaching maximum number of underprivileged children through **UDGAM** centres and make sustainable changes in their lives through education”.
- To take children and young people on a journey from a childhood of extreme poverty and challenges such as child marriage and child labour, to fulfill a handsome and respectable life to them.
- Working with their schools, to ensure that they attend school and their education is optimized and on becoming these children adults, UDGAM will work with them to ensure employability skills, get jobs.
- To develop character and skills, and health and education of human being, and to safeguard environmental factors in protection of the truth and the nature through awareness, training, motivation, research, and action.
